

Curator's Statement

Tampa International Airport, working in conjunction with the Outdoor Arts Foundation, is pleased to present "The Big Art Show II: The Wonders of Flight".

The exhibit showcases the work of eight artists and their interpretation of the theme "The Wonders of Flight". To some, flight means to pass through the air with the help of wings... or flight attendants. These wonderful creations will be on display through Fall 2006.

On behalf of the Outdoor Arts Foundation Board of Directors, participating artists and the Aviation Authority, we sincerely hope you will enjoy this exhibit as much as we have enjoyed bringing it to you.

The Outdoor Arts Foundation is a 501c3 not-for-profit organization

For more information regarding these works of art, please visit www.outdoorartsfoundation.com or call Jay Goulde at 727-723-8620.
